

education marketplace

We are thrilled to have the support of so many excellent education service providers. Please take a moment to say hello to our exhibitors – they are here for you!

Please note: Exhibits are numbered based on their location. Numbered tables beginning with G are in the Grand Ballroom PreFunction space. Locations within Grand Ballrooms I/II, where we'll be hosting Thursday morning registration and book signing events throughout conference, are numbered tables beginning with B. Those beginning with C are located in the Capital Ballroom PreFunction Corridor, nestled between meeting rooms and all 30+ breakout sessions.
