Educating the Whole Child

Dear Colleagues,

As states close schools around the country, College Board and ACT are working to respond to the needs of educators and students. Here are the most recent updates.

From College Board:

SAT

In response to the rapidly evolving situation around the coronavirus (COVID-19), the College Board is canceling the May 2, 2020, SAT administration. Makeup exams for the March 14 administration (scheduled March 28) are also canceled. Registered students will receive refunds. See attachment for the press release, or click here for more information: <https://www.collegeboard.org/releases/2020/college-board-cancels-may-sat-response-coronavirus>

AP

The AP Program is developing resources to help schools support student learning during extended closures, as well as a solution that would allow students to test at home, depending on the situation in May. Additional information will be posted by March 20. See press release attached for more information.

From ACT:

ACT will communicate directly with all students currently registered for the April 4, 2020 ACT test. All students registered for the April 4 test date will receive an email from ACT in the next few days informing them of the postponement and instructions for next steps.

“ACT is committed to making every effort to help those students impacted by this test date change, particularly those high school seniors who are facing deadlines for fall 2020 college admission,” said ACT CEO Marten Roorda.

More information will be shared as it becomes available in the days ahead. To access up-to-date information, additional national test dates options, and other frequently asked questions, please visit: www.ACT.org.
